

CHIANTI RISERVA

Our reserve comes from the old vineyards of the estate. Aged in cement and then in oak barrels, it expresses all the depth and freshness of Chianti. The vineyards, all merged, oriented to midday, perfectly sunny, insist on hilly terrain of varied composition, particularly suitable for producing high quality grapes, thus giving the wine peculiarities such as to underline the characteristics of Chianti.

Category: **Red Wine**

***Tasting Notes:***

- **Color:** deep ruby, tending to garnet with aging.
- **Fragrance:** fruity, elegant, intensely vinous, pepper notes, accompanied by the scent of aromatic herbs present in our vineyards.
- **Flavor:** harmonious, dry, delicate and with an elegant tannin.
- **Serving Suggestion:** suitable for roasts, stews and grilled meats, aged cheeses.

Serve at a temperature of 18-20° C.
